

PROPERTY SURVEY FOR
NED HARDMAN
DUCHESNE COUNTY
SECTION 1, TOWNSHIP 2 SOUTH, RANGE 3 WEST
UINTAH SPECIAL BASE AND MERIDIAN

SURVEYED DESCRIPTION

WARRANTY DEED (Found on page 494 of Book A-32 in the Duchesne County Recorder's Office)

"Southeast quarter of the Northwest quarter of the Southwest quarter, Section 1 Township 2 South, Range 3 West, Uintah Special Meridian. Containing 10 acres."

NARRATIVE

This survey was performed at the request of Mr. & Mrs. Ned Hardman for the purpose of finding and locating on the ground the corners of the parcel described above. It was found during this survey, that the Bureau of Land Management had performed a dependent resurvey and section subdivision of this area previously. Said survey was approved by the "BLM" on Sept. 30, 2004. As with the original survey performed by the General Land Office, the BLM used the "Three Mile Method" to find and locate the corners of this section. In doing so, it appears from findings on both the ground and the plat that not all of the 1/16 corners (40 acre corners) were found or set at the time of resurvey but proportioned in according to said "Three Mile Method." In order to locate on the ground the corners of shown parcel this survey found and tied in the existing BLM monuments as needed. The monuments found and used for this survey are shown on this plat at their respective locations.

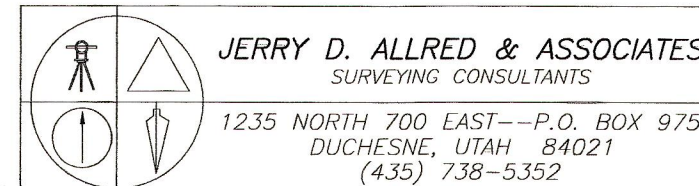

SURVEYOR'S CERTIFICATE

This is to certify that this plat was prepared from the field notes and electronic data collector files of an actual survey made by me, or under my personal supervision, of the parcel of land shown hereon, and that the monuments indicated were found or set during said survey, and that this plat accurately represents said survey to the best of my knowledge.

Jerry D. Allred, Licensed Land Surveyor,
Certificate 148951 (Utah)
